

FUTURE SUMMIT
2006
Creating a Better Future

FOR MORE INFORMATION ON **Future Summit 2006**
VISIT **www.futuresummit.org**

Register your details at www.futuresummit.org to receive a free copy of the official Future Summit Report detailing all sessions, keynote presentations and the Summit outcomes.

Topics include: "Re-inventing Australia in the Age of Asia", "National Identity", "Public Health and International Security", "Adapting to Emerging Technologies", "Sustaining Prosperity in a Warming World", "Talent for a Knowledge Economy" and "The Globalisation of Asia".

The Future Summit is an initiative of ADC (Australian Davos Connection) and is recognised as the premier annual gathering of Australia's established and emerging leaders. It provides a collaborative framework for participants to share ideas, exchange views and create defined outcomes to improve Australia's future.
